Our Mission

Saint Agatha Catholic School promotes academic excellence and fosters spiritual growth and social responsibility.

In partnership with parents, Church, and community, we nurture enthusiasm for learning and love of God.

The Saint Agatha Difference

You'll feel it the moment you walk through the front door: Saint Agatha is more than a school. It's a community where relationships are at the center of everything.

Saint Agatha is a special place; an amazing environment where children not only learn, but thrive; becoming thoughtful, well-rounded, and well-educated students who are comfortable with themselves and exceedingly well prepared for everything the world has to offer. The Saint Agatha difference: Learning, Living, Thriving has earned us the U.S. Department of Education National *Blue Ribbon School of Excellence* Award three times.

We offer both half-day and full-day Kindergarten, Elementary grades one through five and Middle School grades six through eight. Our *Childcare Program* provides a structured Before & After School Program.

Our door is always open for a personal tour! Simply call the school office at **614-488-9000** or *contact us via email* to schedule an appointment.
