

Saint Agatha Home & School Association

Updates from the Saint Agatha HSA Team

February, 2011

Hello from the HSA Leadership Team,

The energy and palpable frenzy around school is starting to show itself – the back half of our year is always a fun and exciting time for our school and the Home & School Association. Evident clearly by the great success of our Cake Bingo Night last Friday and the Open House for prospective parents event on Monday evening. Thanks to all leaders and volunteers that made both of these events very successful.

Great work continues with our joint planning process across the Parish. Steve Druhan, School Board President, hosted a mid-year touch point with Parish leaders – Parish Council, Parish Admin, School Board, Athletics & HSA. These leadership discussions are part of our actions to maintain the delivery of our Strategic Plan for Saint Agatha School.

I would like to thank everyone who participates and remind you about upcoming Spirit Dinners – we have had good success with the support from restaurants like Carsonie's, Raising Cane's and others. Our next planned evening is Thursday, 2/9 at Carsonie's – look for reminders in our Wildcat Wednesday news updates.

This past month we were fortunate to have a successful Wellness Wednesday program – one of our many focus areas for personal well being and physical fitness. Many of our students are also participating in Service Projects – making blankets for participants in the Meals on Wheels program that Saint Agatha supports with student participation in delivering much needed meals to our community.

We continue to support the school in their technology and office administrative needs – additional laptops, smartboards and copiers have either been acquired or we are working with Diocese procurement personnel to bring in these additional resources.

I would be remiss in not mentioning one of our most anticipated activities of the year – our Wildcat Auction!! Katie Nyhus is leading a dedicated team of parent volunteers and committee chairs to create a special weekend for us as we celebrate our 70th anniversary with a tribute to the '70's. Please mark your calendars (if you have not already) for Friday & Saturday, March 30th & 31st – there will be more information provided in the coming weeks. This is our school's primary fundraiser and many of our planned programs and activities are possible due to the generous support of our parishioners, parents, teachers and friends that support the auction.

To help with awareness and messaging – 'Get your Groove On' for the Wildcat Auction!!!

Your HSA President,
George Kuntz
